2. Pranjal Ashok Salunkhe (91.00%)

3. Kareena Nitin Patil (90.60%)

The Principal further mentioned that no learner scored less than 73% in Grade 10 and 74% in Grade 12. It was also an extra special year for the school since this was the first batch of Grade 12. He congratulated all the learners and their proud parents for this achievement.

He stated that this outstanding performance was possible only due to the untiring efforts of the educators, the sincerity and hard work of the learners and the continued support from parent partners. Alpisa educators have always taken responsibility for the academic performance of the learners under their care.

- Felicitation of Grades 10 and 12 learners- Batch of 2023-24:

All learners of Grades 10 and 12, the batch of 2023-24, were invited to the school for a felicitation programme and also to enable them to meet their educators and peers and celebrate their success in the Board Exams. Certificates were given to the School Toppers and Subject Toppers and a memento was given to all the learners. The event was a joyful occasion for educators. Our learners went on stage and expressed their gratitude for the educators and the school and acknowledged that they were motivated and supported by everyone at school to do their best.

The Principal then presented the Final Term Examination result analysis to the parents:

Learners of Grades 9 and 11 took their final examination between 9th and 22nd February 2024. Grades 1 to 8 took their final year-end examinations between 6th and 18th March 2024. 75% of the learners scored more than 81%.

The Principal mentioned that the focus on competency-based education with individualized attention, given to each learner as per their specific learning needs will continue to raise the bar for academic excellence on our school campus.

- **Enrichment Programme for all Grades**

Next, the Principal discussed the enrichment sessions being conducted by the educators on campus and after-school online sessions to provide extra learning support wherever required. Special classes were conducted in the last week of March and 1 week of May for specific learners, to help bridge the learning gaps. Also, special bridge courses and online sessions will be conducted for those Grade 11 learners who took admission in June 2024. For Grades 10 and 12, enrichment sessions were conducted for all subjects during the summer break also and educators were available on MS Teams to address any query raised by the learners.

Cambridge English Language Assessment Centre: SETR's Skills Edge

The Principal informed the members that many of the educators at ALPISA have already qualified for the various modules of the Teachers' Knowledge Test [TKT], In 2024, all educators at different levels which will add to their professional qualifications besides enhancing their teaching proficiency.

- **EVENTS AND CO-CURRICULAR ACTIVITIES:**

The Principal shared the details of some of the major events that were conducted in the current academic year.

Happy Hour Events - Nestling

The Happy Hour Events are focused on the skill development of our young learners which helps in the holistic development of children. To improve our learners' fine motor skills, we had an 'Out in the Garden' and to improve their social bonding with peers we had 'Splish Splash Water Play' in the month of April.

In the month of June, learners undertook a Nature Walk which will enable them to understand the use of various sense organs besides creating a bond with nature. They also participated in a plantation drive along with grades 1 and 2. To develop the fine motor skills of our young learners, we had Puppet Making sessions and to develop their gross motor skills, our young ones performed Yoga on International Yoga Day. They also dressed up in their traditional attire and had an activity about the significance of Palkhi.

As learning cannot be restrained within the school premises, our young learners visited A for their Field Trip on 25 June 2024. They were accompanied by their ever-watchful parent volunteers, the field Mrs. Thakare the parent representative of Sr. Kg, appreciated the overall management and the effort put in by teachers and Maushi to manage the kids. She had accompanied the young learners trip.

- **SEWA and Kindness Activities:**

As a part of the mandatory CBSE assessment compliance, each learner of Grades IX and X is taking up 15 hours of activity targeted at Social Empowerment through Work Education and Action [SEWA] during the year.

Also, as a part of the summer assignment, learners are encouraged to take up various kindness activities. Some of our learners shared their kindness stories with their peers on the Padlet link provided, which we hope will encourage further involvement of the young learners in spreading kindness through their actions.

Such activities aim at developing important life skills, besides nurturing empathy and citizenship qualities in our young learners.

The parent partners appreciated the activities and were informed by the Principal that the Padlet link would be active throughout the year for learners to share their stories.

- **Maharashtra Day:**

The staff celebrated Maharashtra Day with patriotic fervour. The national flag was hoisted by the Director Principal and a pledge was taken for exercising the democratic right of voting, without any bias. Educators performed dances and also sang melodious songs, highlighting the rich culture and heritage of the state. All educators, admin staff and support staff were treated to special snacks, as a part of the celebration.

- **Session on Road Safety: 27th June 2024**

The Principal informed the members present that RTO Inspector Mr. Vinod Jadhav and Mr. Vivek Patil conducted a session on Road Safety and safe driving norms for all our driver kakas. The session was conducted effectively, giving them examples from Pune and making them aware of their responsibilities. Inspector Jadhav highlighted the statistics for accidents and reiterated that the drivers played the most important role in road safety.

The inspectors also reviewed the safety norms in place at school and were highly appreciative of the same. Inspector Jadhav also shared some videos on blind spots and suggested that we show them to all school children so they also have an idea about blind spots and the safety concerns arising because of people walking/ driving in the blind spots of big vehicles. We will be taking up this activity in all grades.

- **International Yoga Day:**

The 10 International Day of Yoga was celebrated in the right spirit by all learners and staff our School. The theme for International Yoga Day 2024 was "Yoga for Self and Society". This theme highlighted the importance of yoga not only for individual well-being but also for fostering a sense of community and social harmony

Besides taking the pledge for Yoga and solemnly reciting the Yoga-day prayer, all our learners performed 12 Surya namaskars and also five types of Pranayama. Grade 5 learners also put up a special yoga display.

- **Student Council Elections:**

The process of the formation of the Student Council for 2024-25 was initiated with learners nominating themselves for the various positions. This was followed by two days of campaigning and voting on computers. Learners from Grades 6-12 voted for the various positions.

For the positions of Head Boy and Head girl and the Sports Captains, panel interviews were conducted. The panelists included the coaches and sports educators, and the final round of interaction was taken by the Hon. Principal. The elected and the nominated members were bestowed with their responsibilities on the 4 July during the scheduled Investiture Ceremony.

The learners appointed and elected for the various positions are as follows:

- Stutikamal Ojha- Student Representative
- Sanket Patil - Head Boy
- Nikita Patil - Head Girl
- Vaibhav Patil - Sports Captain Boy
- Chahat Patil- Sports Captain Girl
- Event Head - Kalyani Patil

- **Increase in Fees for the Academic Years 2025-26 through 2026-27**

The Principal then presented the details about the increase in fee structure where she mentioned that since the inception in 2016, the fee structure of the School had been increased only by a marginal 8% in the academic year 2019-2020. The subsequent revision of the fee was due for 2021-22. However, keeping in mind the duress of the parents induced by the pandemic, the fee increase had been deferred until the academic year 2022-2023, when we increased the fees by 14.4%.

Commensurate with the 7th Pay Commission salaries being implemented for the staff, the cost of professional development and continuous training, the cost of various associations such as those with Ei and TCS ION in the best interest of our learners, and the additional maintenance costs due to current inflation, the school has decided a fee increase. Keeping the best interests of the parents in mind, especially those who have more than one child in the school, the fee hike of 8% only has been fixed for the academic years 2025-2026 and 2026-2027 across Nursery through Grade 12. The new 8% hike fee breakup is as follows:

He also mentioned that there will be no change in the one-time Admission Fee for new students, I.e. INR 2000

All parent partners agreed that this reasonable increase given the rate of inflation and all the initiatives taken by the school for the all-round development of the learners. They endorsed the fee structure that will be applicable for 2025-26 and 2026-27.

Policies regarding the fee collection for transport, cafeteria etc believes in transparency and hence all our fee and refund policies and policies applicable for the various services provided to the parent partners by vendors as well are clearly outlined in great detail in the almanac. The Principal then took everyone through the policies

- * Discontinuation after 31 December-No refund of the Term fee.

- **Interaction with EPTA members:**

The Principal mentioned that all points in the agenda were covered, and he requested parent partners to share their thoughts and questions, if any.

Mr. Nilesh Wankhede, the parent representative raised a concern about the increased screen time of children with growing age and requested that teachers should ask the learners to reduce it to a specific time limit. He also requested regular counseling from the learners.

The Principal explained that this is being done regularly by the educators during HRT time. He requested parents, to include 'Reading Time' with learners at home, at least for an hour. He also requested that since phones and TV were accessed at home, parents would have to be firm with their wards and set limitations.

He mentioned that the school has focused on young learners understanding good touch and had touch via sessions conducted by the Wellness Team.

All parent representatives thanked the educators for all the efforts that they were taking to guide the learners and ensure their all-round development.

- **Vote of Thanks**

There being no other business, the meeting ended with the Chairperson Dr. Niraj Chavan thanking the members warmly for their participation and presence in the meeting, he also thanked them for their constant support and continued trust.
